Chapter 22
[Tower of the Goddess Part 9]

It's almost as if someone planned this scenario...
and everyone is just acting the part they were assigned to.
Almost...
as if they wanted to make me the murderer...!!
What're you doing?
Are you going to do it or not?
LONE MANGA!

If that's so...
Then those words earlier...
were aimed towards me.
If one of us starts threatening the others with the knife, the rest of us can just subdue him.
Those words became the key to sealing my actions no matter who held the knife...
Even if I can't get away
from what they're asking of me...
LONE MANGA
I still need time...
to resolve myself!!
G-
Give me some time to think about it...
Time?
How long?

20 minutes...

Are you kidding?
You know that a minute or even a second is precious right now, don't you?

I don't care about what you think!
I'm going to trap you in the same room as Min Jin-ho!
If you kill Min Jin-ho, we'll let you out.
You don't have any other choice!!
sit on!
I under-stand...
I'll go.

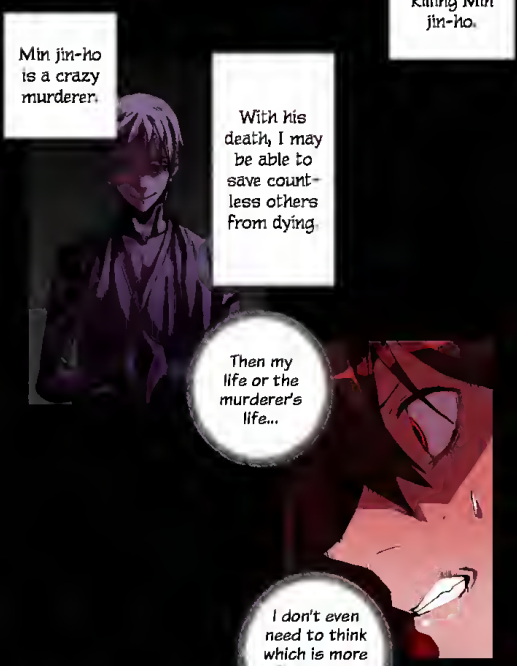
Right now, I'm trying to
justify killing Min jin-ho.



Min jin-ho is a crazy murderer.
With his death, I may be able to save countless others from dying.
Then my life or the murderer's life...
I don't even need to think which is more important right now.

I repeated these words inside of my head countless times
in order to hypnotize myself.

I only had a couple more steps...
before I arrived at the room where Min Jin-ho was locked in.
There wasn't enough time
for me to control my mental breakdown.

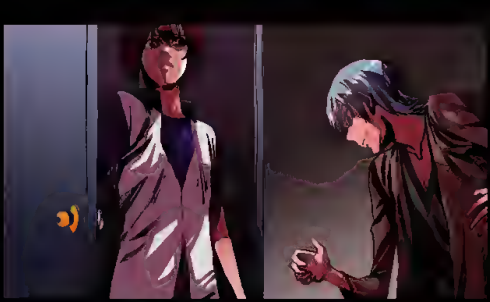
LONE MANGA!



Welcome, Hyun-soo.
I've been waiting for you.
Welcome to the room
where I, Min Jin-ho, reside!
It's quite shabby,
but come on in.
Eventually, I was thrown into the lair of the beast
LONE MANGA!
with just a single knife to defend myself.

To be continued...
